DESIGN & DEVELOPER

The screenshot shows the homepage of the Do Not Enter Security website. At the top, there is a blue navigation bar with the company logo and name, and links for HOME, ABOUT, and LOGIN. Below the navigation bar, a white banner contains the text: "24-Hour Monitoring ♦ Fast Alarm Response ♦ Homeowner Savings ♦ Low Cost Monitoring". The main content area is split into two columns. The left column has a yellow background with the heading "WE'LL CALL YOU!" and a form for a representative call. The right column features a promotional offer: "Inquire about our 2-for-1 special Help protect your loved ones with a home security system starting at 29.99\* Save up to 20% off your homeowner's insurance". Below this is a "Call Now!" button with the phone number 305.788.2525 and an image of a family. A row of icons represents various security services: CO (Carbon Monoxide), Burglary, Fire, Flood, and Pet Resistance. Below the main content, there is a white bar with a quote icon and the text "Florida Licenses: EC13004584" and social media icons for Twitter, Facebook, RSS, and LinkedIn. The footer section is divided into three columns, each featuring a product: "TheAutoContact™" (a weatherproof mat), "Do Not Enter Security™" (a dog), and "TheAcContact™" (an air conditioner unit).
